

ADULTS SAILING COURSES

We have found over the years that the smaller dinghies our Topper Topaz's have given us great results in our customers progression and confidence, We also do teach in Hobie Cats as well, and have found these boats great for people progressing on to more intermediate and advanced courses, we will also use the Cats if we find the wind does not suit the Topper's -Big winds-.

Typical day on the beach

The days start at 1000 –not too early- introduction and allocation of equipment –all supplied- lunch is normally around 1300 with options of picnics if applicable lunch can be supplied by our very own beach café and the day normally finishes around 1700.
